(c) whether the Government is encouraging the non-governmental organisations for their active participation in the effective implementation of these schemes; and
(d) if so, the details thereof?

Answer

MINISTER OF STATE FOR DRINKING WATER AND SANITATION
(SHRI RAM KRIPAL YADAV)

(a) to (d) Rural water supply is a State subject. This Ministry supplements the efforts of the States by providing them with technical and financial assistance under the centrally sponsored National Rural Drinking Water Programme (NRDWP) for providing safe and adequate drinking water facilities in rural areas of the country. Under NRDWP, funds are released directly to States / UTs for implementing the rural water supply schemes in the rural areas of the country. This Ministry does not release the funds directly to any Non-Governmental Organizations for carrying out the works under NRDWP. The details of the funds allocated and released to States / UTs is at Annexure. States are delegated with powers to select design, approve, execute and monitor drinking water supply facilities.
